

At barely over 11” long and only 1.5 pounds in weight, the **PS950** with Bluetooth is the ultimate travelling companion. The **PS950** is our premium solution for Retail and Corporate markets. The kit includes an Executive Case and everything needed for people who have places to go and no time to waste. The **PS950** is a fully self contained and most convenient printer complete with paper and battery making it the smallest in the market. Using advanced Printing Technology, the **PS950** with Bluetooth eliminates the need for messy and expensive ink, toner, or ribbons. The Bluetooth connectivity provides a simple, reliable cable-free printing connection of up to 100 meters (approximately 300 feet) to your laptop*, PDA or other handheld Bluetooth-enabled devices. Printing on-the-go has arrived!

Features:

- Bluetooth connectivity, print from your laptop, smart phone or PDA
- Prints characters and graphics clearly (no smudging) – and no leaking ink
- Printing speed up to three pages per minute
- Pocket size – including a cartridge roll of 20 pages and battery
- Minimal moving parts for printing, designed ruggedly for portable reliability
- Little or no maintenance necessary, regardless of usage cycle
- Flexibility to adapt to common platforms
- Consumables are minimal, cost efficient

Supports:
